

BUREAU
VERITAS

CERTIFICATE FOR

PRODUCT CONFORMITY

Award to:

SAINT-GOBAIN PIPELINES CO., LTD.

Bureau Veritas certifies that the above company has been assessed for Approval of its Production Facility for Ductile iron pipes of HYDROCLASS products and found that the products comply with the Standard ISO2531: 2009

Subject to the continued satisfactory operation of the company, and to semi-annual audits as per annexes to CERTIFICATE.

This Certificate is valid from : **8th April, 2010**

For a period of three years, ending : **7th April, 2013**

Certificate No. : PC-IDD/S-10/240-02

Note: This inspection has been carried out within the scope of Bureau Veritas General Conditions; it does not release the seller from his contractual obligations towards the buyer in case of no conformity items found in the mass production, also this certificate can not replace any authority approval in the country where those products applied.

At : Shanghai, P.R. China

Name and Signature:
